Majorca and Menorca

Majorca has much more to offer than just sun and sand - it also boasts impressive natural areas such as the Sierra de Tramuntana and the S'Albufera, Mondragó and Sa Dragonera natural parks and the capital, Palma, is home to one of the best-preserved old towns in all of Europe. To see it for yourself, we recommend taking a walk through the old town's courtyards and paying a visit to the cathedral and Bellver Castle, which gives a gorgeous panorama over Majorca.

Menorca, with its idyllic landscapes which have hardly been touched by time, megalithic monuments and stunning beaches, is an island with UNESCO Biosphere Reserve status.

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
