

US and Jamaica, 9 Days · Tailor-made including beach holiday

Miami and Montego Bay

A "sun and sea" tourist destination par excellence, Miami is a true tropical paradise that everyone should know at least once. Despite being the beach the main attraction of Miami, the city certainly has much more to offer: you can enjoy a refreshing day in the Everglades National Park, try an authentic Cuban coffee in Little Havana, have fun with the animals of Jungle Island or sit on one of the terraces of the bars on Ocean Drive to observe the unique atmosphere of South Beach.

A trip to Jamaica is a good experience to live with friends, family or as a couple. The country offers a wide range of activities to do and things to see, both for lovers of adventure tourism, as for those who want to enjoy the tranquility of the hotels and lie in the sun in an incomparable environment.

Important remarks

- Tips in US are a common practice.
- Generally in US the accommodation in the triple rooms have two double beds or one double and one single bed and the quadruple accommodation has two double beds.
- Consult the entry restrictions and additional requirements for people who have previously traveled to destinations such as Cuba, Iran, Iraq, Yemen, Syria, etc.
- Hotels may charge a Resort Fee charge that must be paid directly at the destination. The amount can vary between approximately \$15 and \$65 per room per night. This charge is indicative and may be modified depending on the establishment's policy.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- Triple rooms in Jamaica are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.

- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
