

US and Bahamas, 9 Days · Tailor-made including beach holiday

## Miami and New Providence

A "sun and sea" tourist destination par excellence, Miami is a true tropical paradise that everyone should know at least once. Despite being the beach the main attraction of Miami, the city certainly has much more to offer: you can enjoy a refreshing day in the Everglades National Park, try an authentic Cuban coffee in Little Havana, have fun with the animals of Jungle Island or sit on one of the terraces of the bars on Ocean Drive to observe the unique atmosphere of South Beach.

The Bahamas, with almost deserted beaches and hidden coves, guarantee the tranquility of visitors in a paradise of more than 700 islands and islets. The crystal clear waters have different shades, from light turquoise to pink. We are definitely in the Caribbean.
