

Singapore, Thailand and China, 11 Days · Tailor-made, fully flexible travel

Singapore, Bangkok and Hong Kong

A perfect combination to experience the best of Singapore, Bangkok and Hong Kong, enjoying unparalleled landscapes, the charm of their history and monuments, and the hospitality of their people, without sacrificing comfort. Bangkok is one of the most westernised Asian cities. In the Thai capital you can enjoy environments that are as much exotic, as diverse and sometimes, even contradictory. You will enjoy touring the hundreds of markets that invade the city, tasting its spicy culinary specialties or visiting some of its many colourful temples. Dare to get lost in its bustling and chaotic streets and enjoy the friendliness of its people. On the other hand, tour the Singapore river by boat, eat at a hawker, see the skyscrapers from Merlion Park, visit Little India, walk through Chinatown and enjoy a drink at Clarke Quay; these are some of the experiences you can have in Singapore. Hong Kong is one of the economic motors of China and its most modern city. Hong Kong is a city that never sleeps, a city with dozens of entertainment and cultural sites, with dozens of markets and street markets, and a skyline that leaves cities like New York behind.
