New York, New Orleans and Miami

Visit the Big Apple and discover the city that has become in the last years and by its own merits in the most important economic and cultural capital of the world. New York offers an atmosphere and a unique lifestyle that we can not tell you, you have to live it and enjoy it.

And combine it with New Orleans, a multicultural city. With remarkable Spanish, African and French influences, it is one of the most attractive tourist spots thanks to festivals like Jazz Fest, Mardi Gras and the Sugar Bowl.

And Miami, an excellent tourist destination for sun and beaches. Its privileged location in southern Florida makes it a destination where tourists can enjoy a warm climate year-round. With an average annual temperature of 24 degrees, its endless beaches with waters of an almost unreal blue color, form a unique setting.
