

Spain (Canary Islands), 8 Days · Tailor-made including beach holiday

Tenerife and Lanzarote

Tenerife, known as "the island of eternal spring", boasts a pleasant climate benefiting from trade winds, the Canaries' cool ocean current and its significant topographic relief. Don't forget the Teide National Park. It's a must-see.

And Lanzarote, known as "the island of volcanoes" due to the volcanic activity there, stands out as being a first-rate tourist destination, with the renowned native painter César Manrique combining art with the nature of his surroundings, and with the island and its laws being an example of environmental awareness.

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
