

Brazil, 12 Days · Tailor-made, fully flexible travel

Rio de Janeiro, Manaus and Iguazu

Come and explore the spectacular city of Rio de Janeiro, which stands in one of the world's most beautiful bays between mountains and the Atlantic Ocean. A metropolis that cherishes magic and a true power of seduction. Onward to Manaus, the perfect starting point for expeditions through the jungle and along the largest river in the world. If you imagined that on your trip to the Amazon you'd only see miles and miles of uninhabited areas covered by dense vegetation and fascinating wildlife, you'll be amazed when you arrive to this city full of skyscrapers, luxurious hotels, modern facilities and a bustling free trade zone. And what can we say about the breathtaking Iguazú Falls? Straddling the border between Brazil and Argentina, Iguazú is made up by 275 waterfalls up to 80 metres high that are a true spectacle of nature.
