

Greece, 11 Days · Tailor-made including beach holiday

Athens, Rhodes and Santorini by plane

Athens is the capital of Greece and the country's political, cultural and economic centre. With a history beginning three thousand years ago, Athens is a city filled with archaeological sites, monuments, sculptures and even buildings from the Roman and Byzantine eras. Places of interest here include the Port of Piraeus, Syntagma Square, the National Garden, Monastiraki Square and, if you can spare between eight and fifteen euros to visit some of Athens' tourist attractions, we highly recommend visiting the Ancient Agora, the Choragic Monument of Lysicrates, the Temple of Olympian Zeus, the Acropolis and Kerameikos.

FOR COUPLES

ARCHAEOLOGICAL

Enjoy Rhodes, the Island of Knights. You'll find almost everything there: sun and beaches at the edge of the blue, crystalline warm waters of the Aegean Sea, as well as a rich heritage of monuments and culture that attest to the island's history as a cultural melting pot over the course of Antiquity.

And round off your trip in Santorini, where breathtaking views, beaches with surprising colours and some of the world's most charming villages make it the perfect getaway destination.

Departure date: Departures from June 2026 till May 2027

From: Cork, Shannon, Dublin

Santorini

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.

- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before

3:00 p.m., unless otherwise indicated.

- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
