

US and French Polynesia, 17 Days · Tailor-made including beach holiday

California, Tahiti, Moorea and Bora Bora

San Francisco, one of most popular cities for tourists in the United States and an essential stop when visiting the country's West Coast.

Have fun in Las Vegas with its plethora of leisure options.

Immerse yourself in Los Angeles, a highly influential city in a diverse range of sectors, including business, entertainment, culture, fashion and sports.

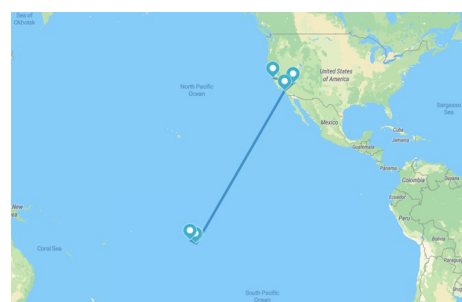

Tahiti is presented as a true paradise where hundreds of tourists from all corners of the world go to. This is the heart of French Polynesia and it would be a shame to overlook the bleak mountains and abundant waterfalls, unpretentious beaches of beautiful black sands and the distinctive Polynesian rumor that makes Tahiti a gem in its own right.

Moorea is an exotic triangular-shaped island. The most famous tourist spots here include the Moorea Mountains, with their steep volcanic peaks, the white sand beaches lapped by turquoise waters, and the kaleidoscopic coral banks.

And, in Bora Bora, you can visit tourist places like the Marae - ancient sculptures used in religious ceremonies - and swim with turtles, dolphins, baby sharks, rays and colorful fish.

Important remarks

- Tips in US are a common practice.
- Generally in US the accommodation in the triple rooms have two double beds or one double and one single bed and the quadruple accommodation has two double beds.
- Consult the entry restrictions and additional requirements for people who have previously traveled to destinations such as Cuba, Iran, Iraq, Yemen, Syria, etc.
- Hotels may charge a Resort Fee charge that must be paid directly at the destination. The amount can vary between approximately \$15 and \$65 per room per night. This charge is indicative and may be modified depending on the establishment's policy.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before

3:00 p.m., unless otherwise indicated.

- Triple rooms in Oceania are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
