

Greece, 9 Days · Tailor-made including beach holiday

Athens, Karpathos and Rhodes by plane

Athens is the capital of Greece and the center of the political, cultural and economic life of the country. With a history that has its origins three thousand years ago, Athens is a city that has important archaeological sites, monuments, sculptures, and even buildings from its Roman and Byzantine times.

Karpathos is one of the most beautiful islands of the group called Dodecanese, an excellent place for those looking for something truly exotic, out of the ordinary and above all the peace and tranquility that its landscape, its traditional atmosphere and its beaches can provide.

And finally, enjoy Rhodes, the island of the Knights. You will find practically everything: sun and beach tourism, on the edge of the warm blue and crystalline waters of the Aegean; but also an important monumental and cultural heritage that attests to the cultural melting pot that this island was throughout Antiquity.
