## Important remarks

- Egypt is a Muslim country and the month of Ramadan is of major significance to its residents. During Ramadan, entertainment and alcohol will be restricted in most of the country. The sale of alcohol will be restricted in many places, although some establishments will offer alcohol for sale to tourists. During this period, local businesses may also have shorter opening hours.
- Triple rooms in Africa are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
