Bangkok, Singapore and Bali

A trip that brings together the exoticism of Thailand, the millenary culture of Bali and the modernity of Singapore. Bangkok is one of the most westernised Asian cities and in the Thai capital you will be able to enjoy atmospheres that are as exotic as they are diverse and sometimes even contradictory. You will enjoy strolling through the hundreds of markets that invade the city, tasting its spicy culinary specialities or visiting some of its many colourful temples. Dare to lose yourself in its bustling and chaotic streets and enjoy the friendliness of its people. Take a boat trip on the Singapore River, eat at a hawker, see the skyscrapers from Merlion Park, visit Little India, walk through Chinatown and have a drink at Clarke Quay are just some of the experiences you can have in Singapore. Known as the Island of the Gods, Bali is an island paradise that has much to offer visitors. Green rice paddies, ancient temples, unforgettable sunsets, local art and culture, ancient dances, attractive landscapes and the best hotels in the world are some of the island's highlights.
