Important remarks

- Hoteles in Kenya do not have official star category.
- Please check with your international vaccination centre about the recommended healthcare measures in Kenya.
- Please bring soft suitcases for transport reasons to Kenya. Hard-sided suitcases are not allowed.
- It is recommended to avoid storing belongings in plastic bags both in checked bags and in hand luggage before flying to Kenya. In this country you can not introduce any type of plastic bag. Failure to comply with the law can lead to fines and up to two years in jail.
- Triple rooms in Africa are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- Children under 12 years of age are not accepted.
- It is recommended that luggage for the safari be in a soft bag and not exceed 15kg per person. Excess luggage can be left at the base hotel in Nairobi until your return to the same hotel. When this is NOT possible, the host agency can store it at their offices throughout the safari at an extra cost of USD 50. This price includes luggage collection from the hotel and delivery to wherever passengers need it at the end of the safari, whether at the hotel or the railway station.
- The order of the itinerary may be altered for logistical reasons, without prior notice, but no scheduled trips will be cancelled (except in the case that adverse weather conditions prevent its realisation).
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Prices are calculated based on admission fees to the sights as of the date of publication. If there is an increase in these prices, you will be promptly informed.

- If you are a person with reduced mobility, please contact us to confirm the suitability of the trip.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
