Important remarks

- Triple rooms in Thailand are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- The baggage allowance on domestic flights of most airlines in India is usually 15 kg per person, so lower than on international flights. Please take account of this when packing your bags.
- Please check with your international vaccination centre about the recommended healthcare measures in Thailand.
- The law in Thailand only allows entry into the country with one carton of tobacco per person.
- Depending on the return flight, the trip may be one day longer.
- To reconfirm services at the destination, please send us your passport details within 24 hours of booking.
- Many hotels in Thailand offer special touches for travellers on their honeymoon. If this is your case and you've decided to put the most important journey of your life in our hands, then you're in luck. Let us know that it's your honeymoon when you book and don't forget to take documentation proving your recent marriage (certificate or original invitation) along with your travel documents. This is because the hotels offering these special touches will ask to see it.
- Triple rooms in Asia are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- The order of the itinerary may be altered for logistical reasons, without prior notice, but no scheduled trips will be cancelled (except in the case that adverse weather conditions prevent its realisation).
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Prices are calculated based on admission fees to the sights as of the date of publication. If there is an increase in these prices, you will be promptly informed.
- If you are a person with reduced mobility, please contact us to confirm the suitability of the trip.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
