

Greece, 8 Days · Tailor-made including beach holiday

Athens and Kefalonia by plane

Welcome to the cradle of Western civilization!

With a history dating back three thousand years, Athens is a city brimming with archaeological sites, monuments, sculptures and even buildings from the Roman and Byzantine eras. Among its many attractions, we definitely recommend the Ancient Agora.

Kefalonia, is the largest island among the seven that make up the archipelago of the Ionian Islands, or Heptanese, belonging to Greece. Located in the south of the island of Léucade, in its 904 square kilometers it offers beautiful mountainous landscapes and idyllic beaches that make it a true paradise, a destination for lovers of sun, nature and good food. Its rugged terrain is home to unique treasures, such as the famous Myrtos beach, one of the 30 most beautiful in the world, Antisamo beach, near the city of Sami, and the small bay of Assos. The island also has a number of caves and coves, such as the Grotta delle Nymphs on Lake Melissani. Spectacular! Its fascinating coastal towns are also one of its great attractions, such as Argostoli, the capital of Kefalonia, founded by the Venetians in the 18th century, Sami, Lixouri, Fiskardo, Kastro, Assos and Skala, all worth visiting, immortalized ... and enjoyed!

FOR COUPLES

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.

- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
