Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.

- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.

- To avoid queues and crowds, you can book tickets to the most outstanding museums and exhibition halls online and in advance. We recommend trying to visit the museums early in the morning or in the afternoon. To obtain discounts on tickets and save yourself from having to queue, you can purchase cards such as the Holland Pass, the Museumkaart, the I Amsterdam City Card or the Rotterdam Welcome Card. Many museums offer special discounts for minors, students and pensioners.

- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.

- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.

- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
