Important remarks

- As per new security regulations, all passengers visiting United Arab Emirates (organised or otherwise) must carry an identification at all times: either an original passport or a photocopy of it is sufficient.
- United Arab Emirates is a Muslim country and the month of Ramadan is of major significance to its residents. During Ramadan, entertainment and alcohol will be restricted in most of the country. The sale of alcohol will be restricted in many places, although some establishments will offer alcohol for sale to tourists. During this period, local businesses may also have shorter opening hours.
- Triple rooms in Asia are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
