## San Juan and Tortola

The first time you walk on the cobbled streets of Old San Juan you will feel like leaving a time machine. Once it was the most precious jewel of the Spanish empire in the Americas. This walled city still retains its fascinating colonial architecture, from imposing fortifications to colorful buildings, structures of which many have been declared World Heritage by UNESCO ... And what about Tortola !!! Swim or stroll along the white sandy beaches, explore the ancient ruins, or the delicious local food, drop the anchor and let yourself be carried away by the rhythm of the blue ocean. In Tortola there are a variety of Caribbean vacation activities to delight.
